[redacted] Sally Donner, in the office of Representative Silvio Conte, called to say that the Congressman would be tied up this afternoon and, therefore, would be unable to keep the appointment which had been made for Mr. Colby, Chief FE, to brief him on the Pacification Program. Miss Donner suggested that this be put over until sometime next week. They are to get in touch with us again. I reminded Miss Donner that we were doing this in response to a request from Mr. Conte and did not wish to press him for a meeting. Miss Donner said she understood and added that the Congressman was anxious to hear from us.

[redacted] Exhibited to Senator Richard Russell and Representative Mahon the memorandum from the Director to the President dated 2 June 1967. Both were extremely appreciative of the additional insight this provided. Mr. Mahon said he needed nothing further at the time and Senator Russell indicated he might well call on us for a briefing of the Subcommittee in the next day or two.

[redacted] Made arrangements with Chairman Mendel Rivers, following his request for daily briefings to the Director, by setting a time of 7:30 a.m. each day.

[redacted] Delivered to Representative Mahon a brief background on one [redacted] I indicated that we had not yet completed our investigation and, consequently, would provide him with additional information later.

[redacted] Met with Mr. Clifford Gaucher, Administrative Assistant to Representative Philip Philbin (D., Mass.), Mr. Gaucher advised that he has a note on Mr. Philbin's pen for him when he returns this evening concerning the follow-up to his question [redacted]

[redacted] He also advised that he briefed Mr. Philbin before his departure that I had been to see Mr. Philbin on this matter.

Mr. Gaucher noted, however, that Mr. Philbin will be tied up with the military construction hearings tomorrow and he is also a conferee on the draft bill. Consequently he feels it would be well if we go over to Wednesday or Thursday and then remind him again on this matter.
